

**ACADEMIC ACHIEVEMENT PROGRAM  
SUMMER TRANSITIONAL PROGRAM  
PROSPECTIVE STUDENT CHECKLIST**

---

Please follow the steps below to indicate your interest in participating in the Academic Achievement Programs (AAP) - Summer Transitional Program (STP).

- ☐ **STEP 1: Complete and submit the requested document electronically within 10 days of receiving your admission letter.** For best consideration, this document should be submitted to AAP via the [AAP-STP submission portal](#) by February 15, 2026.

☐ Information Sheet

- ☐ **STEP 2: Set up a University Directory ID and password.**

Visit <https://identity.umd.edu/id/newuser> to create the credentials you will use to log in to your University account and diagnostic test. *Please have this information with you when you complete the diagnostic assessment.*

- ☐ **STEP 3: Register for and attend your scheduled AAP-STP information session and diagnostic assessment.**

- AAP will notify you via email of your assessment date after receiving your documents in Step 1.
- Register for and attend your session. One parent/guardian must attend. The thirty-minute information session will include a presentation from AAP staff about program details, financial considerations and a brief question and answer period.
- Typically, the information session will be held in the morning. The diagnostic assessment will be held in two parts. The first part immediately following the information session and the other in the early afternoon to give students an opportunity for a brief break in between these events. Specific times and details will be provided in your confirmation email.
- *The diagnostic assessments in English, mathematics, and reading comprehension are required of all prospective program participants. Along with your application to the University of Maryland, the assessment results and supporting documents will be reviewed to determine your eligibility to participate in AAP and for placement in the Summer Transitional Program classes.*

Following your information session and diagnostic assessment, eligible students will be notified of a decision via email by March 31, 2026.

**STEP 4: Indicate your intention to participate in the Summer Transitional Program via email.**

Eligible students who plan to participate in STP must confirm via email.

Documents in Step 1 should be submitted through the AAP-STP submission portal at:
